

Authorization To Convert Your Check

If you write a check to the District, your check may be converted into an electronic fund transfer. “Electronic Fund Transfer” is the term used for the process in which we electronically instruct your financial institution to transfer funds from your account to our account, rather than processing your check. By sending your completed, signed check to us, you authorize Deerfield Public Schools 109 to copy your check and to use the account information from your check to make an electronic fund transfer from your account for the same amount as the check. If the electronic fund transfer cannot be processed for technical reasons, you authorize us to process the copy of your check.

If you have questions or would like to learn about other payment options, please call the District Center at 847-945-1844.
